Graduate Speech Pathology Program 2024 opportunities

As you begin your career working as a Speech Pathologist in schools in Sandhurst Catholic Education you will be an integral part of a dynamic, proactive and collaborative Speech Pathology and Inclusive Education team.

The following opportunities will be part of a highly supported and comprehensive Graduate Program including:

- **SUPERVISION** and **MENTORING**: a supervision and mentoring plan will be developed for each individual, with a focus on the needs of each person. Includes individual and small group mentoring.
- **SHADOWING**: opportunities to shadow Senior Speech Pathologist and other senior team members as they work in schools, including individual and group sessions with students and consultation with school staff.
- **OBSERVATION AND REFLECTIVE PRACTICE**: will form part of the supervision plan and will include opportunities to observe and be observed.
- **PROFESSIONAL LEARNING**: participate in graduate and early career speech pathology professional learning opportunities specifically designed to meet the needs of each individual.
- Regular participation in Speech Pathology team and Learner Diversity team meetings

What CES Ltd can also offer you:

- Opportunity to be based in either Bendigo, Wangaratta, or Tatura.
- Fully resourced, including computer, phone, iPad and access to all necessary materials.
- Generous professional learning budget.
- Fully maintained vehicle (dependent on time fraction).

For more details about the role please download the position description from
www.ceosand.catholic.edu.au

To discuss this opportunity in more detail please contact
Lauren Cook - E: lcCook@ceosand.catholic.edu.au

CES Ltd embraces diversity and social inclusion and encourages people from diverse backgrounds to apply.
We are committed to promoting the safety, wellbeing, and inclusion of all children.
