# ICT Manager

We are seeking an experienced full-time ICT Manager to lead our dedicated and enthusiastic ICT team, ensuring the availability and reliability of systems and networks, managing technology vendors, and implementing new technologies and processes to improve efficiency and productivity.

You will have demonstrated experience and skills in coordinating ICT in a school or similar setting. Exceptional diagnostic ability to troubleshoot technical problems. Experience with a range of software, hardware and operations systems (Google Suite, Microsoft, Mac, IOS, etc.)

We are looking for applicants who have the personal qualities of being collaborative, solution-focused, positive and friendly.
