

SANDHURST LANGUAGES FILM FESTIVAL COMPETITION

2020

Film Festival Theme
**How can we look after
our plants/world?**

International Year of Plant Health (2020)

This competition encourages students in languages programs to develop and showcase their skills and knowledge of languages through Multimedia.

Schools who did not receive a multi-media kit previously can apply for one in 2020.

Please contact David Williams
dwilliams@ceosand.catholic.edu.au

Submissions must be up to 3 minutes

Predominately in the target language

Teachers entering the Language Film Festival are required to attend the Film Making Professional Development

Schools will be provided with the competition criteria and asked to make a submission in **TERM ONE**. Schools will complete the task in the language and possibly Multimedia class. Catholic Education Sandhurst will provide supporting information on ideas to be used in the films and PDs on film making.
